

Trek Parts

Trek Part - TREK Cleaning Machines is a manufacturer of cleaning equipment. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have over sixty years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to offering top quality and new design concepts in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They like providing products which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes handling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' requirements and skills combined with their understanding of cleaning applications, along with owners' strong desire to dramatically lower cost through productivity gains.

When considered necessary, the personnel within TREK and its several dealer members in both parts and in technical support would be accessible. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning equipment ready and functioning on a daily basis is top priority. The company's top of the line technology delivers dependable machinery that ultimately lessens your cleaning expense. The price, the service and the product all work together to be able to make them the leader in the industry.
