

American Lincoln Parts

American Lincoln Part - Presently associated with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the business they are known in the industry as providing strong and durable machinery that satisfies the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind model of floor scrubber along with the Clarke Company which is now likewise owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to supply components, warranty service and machines for these scrubbers which have both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility supervisors where results and efficiency matter. Lately, this floor scrubber model has been utilized by the architects in new construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this particular sweeper scrubber on site due to the model's utmost performance level and high standard of quality for polishing concrete.
