

Advance-Nilfisk Part

Advance-Nilfisk Part - Imagine how tedious it will be to clean up your house right after throwing a big party, with no help from cleaning equipment. Back in the day, when carpets and upholstery had the dust beat out of them by hand; brushes, brooms and cleaning cloths were the best cleaning supplies of that time.

The man who founded Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who liked to work on electrical motors. After founding his company in the year 1906, he began to produce motors to drive fans, machine tools, drills and coffee grinders. Mr. Fisker's vision from the beginning was to own an international business advertising merchandise globally.

The Nilfisk C1 was a tremendous breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by one individual. This invention came in a time where numerous cleaning machines were very big and needed 4 or more operators, therefore, the Nilfisk C1 transformed everything and developed the manner we clean forever. The brain behind these first cleaning machines remains unparalleled. Cleaning machines provide a brilliant solution to an ongoing crisis; stuff get filthy and need to be cleaned regularly, without a lot of effort.

Gradually, the business Nilfisk-Advance expanded throughout the years. In the the early part of the 1980's the business developed more rapidly when the business became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance ahead within the business, aiming to be an active international player in producing professional cleaning machines. Nilfisk-Advance is now found in every part of the globe due to gradually acquiring a lot of small businesses so as to expand their product portfolio and presence in new markets. They are really proud to provide different cleaning solutions to fit each and every need.
