

Fork Mounted Sweeper

Fork Mounted Sweepers - This accessory makes industrial sweeping tasks much easier to accomplish. The handy lift truck mounted broom is designed for use with either wet or dry material clean ups. It can push snow and squeegee water with no trouble. This accessory is often used in order to clean trash from docks, parking lots, warehouses, construction sites and almost wherever it is considered necessary. The forklift sweeper is a low maintenance accessory that uses quick-tite fork products to easily mount to the forklift.
