

Rockwell Part

Rockwell Parts - The business of AxleTech International is a big supplier of specialty vehicle drive-train systems and components along with off highway vehicles. They take great pride in being a preferred supplier to their customer base. AxleTech strives to exceed and meet their customers' expectations for delivery, quality, service and technology. They believe in working in an atmosphere which supports the highest integrity with empowered teamwork, combined with a relentless pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively applying principals of environmental stewardship and safety in how they do business. The business has put various programs in place so as to articulate these values within their business policy. AxleTech gladly shares this policy and welcomes interested parties to provide them with whichever questions or comments, because they are happy to promote and share this policy with a greater understanding of their efforts. They are very devoted to improving and preserving the natural environment. AxleTech has an EHS program which not just protects the natural environment but which even actively protects their neighbors and employees also.

AxleTech prides themselves as being a ground-breaking drive-train solutions provider. They specialize in designing and manufacturing planetary axles utilized for both military and commercial applications. These applications range from airport ground support to construction equipment. AxleTech specially designs axles to meet certain application demands. They have more than 1000 various axle specs in their existing offering. With over 100+ years of skill and history, AxleTech proudly supplies the most complete solution for whichever of your axle requirements. The company is well known in several military and commercial applications. They offer complete axle assemblies utilized for aftermarket replacement requirements, along with servicing axle requirements for OE production. Their high mobility ISAS have added details which can be found in the "ISAS" product selection.
